PROMOTERS

PEOPLE WHO SELL FOR YOU.

Promoters on AVEO EOS (Professional and up): a portal of their own under your company's name, their own link and code, commission on their sales, and free tickets when you give them.

FOR YOUR COMPANY

SETTING PROMOTERS UP.

Each promoter signs in to a portal of their own, on promoters.aveoevents.com under your company's name, with a code sent to their email. You give them events, set the discount their code gives buyers, their commission, the free tickets they may send and the extra codes they may make.

01 **Add the promoter**
On Promoters, with their name and email.

02 **Give them events**
Choose the events they promote.

03 **Set their terms**
The discount their code gives buyers, their commission, the free tickets they may send and the extra codes they may make.

04 **They sign in**
At promoters.aveoevents.com under your company's name, with a code sent to their email: no password.

05 **Track and pay**
Their sales and commission show as orders come in. Refunded orders do not earn commission.

FOR YOUR PROMOTERS

WHAT PROMOTERS SEE.

Their link and code

To share anywhere; the code works in the discount code box on your event pages.

Sales within a minute

Tickets, orders and sales from their link or code, a minute after each order.

Commission

At the rate you set for each event, and the payouts you have recorded.

Privacy

Buyers' names and emails are never shown to promoters.

Promoters come with Professional and up. If a plan without promoters is chosen later, your promoters' portal closes; the codes buyers already use keep working as discount codes.
