SUPPLIERS AND CREW

THE PEOPLE BEHIND EVERY EVENT.

Production suppliers, door and safety teams, designers and engineers, festival crew and volunteers: how AVEO works with you.

WHO AVEO WORKS WITH

EVERY TEAM THE NIGHT NEEDS.

Events and production

Producers and crew who plan and run events, one team from brief to load-out: staging, sound, lighting, screens and the crew to run them.

Door, safety and stewarding

Door supervisors and stewards who look after entry and the crowd. Door work in the UK needs an SIA licence.

Design and engineering

Designers and engineers who build the AVEO site, ticketing and the tools AVEO's teams use.

Festival crew and volunteering

Crew and volunteer roles at AVEO events.

Catering

In-house or partner catering for every diet, with menus and allergens published before the day.

Photography, film and livestream

Galleries for social and press, highlights and recaps, and livestreams for audiences who cannot be there.

ON AN AVEO EVENT

WHAT YOUR TEAM CAN EXPECT.

- A shift for each person with their position, zone, radio channel and briefing, on their phone.
- A staff pass, with their photo when they add one, scanned at the gates their role allows.
- Incidents reported from their phone, into the event's incident log.
- SIA licences kept on record for door work, with the expiry date watched.
- Agreements and documents sent and signed online.

Getting started.

01 Tell AVEO what you do
Use aveoevents.com/contact: Careers for people, Partnerships and sponsorship for companies.

02 Where you are based
And when you are free, so AVEO can match you to events.

03 Agree the work
Scope, timings and price agreed and signed online.

04 On the day
Your shift, briefing and pass on your phone.

Careers replies come within 5 working days; partnership enquiries within 3 working days.

AVEO

WORK WITH AVEO.

Tell AVEO what you do, where you are based and when you are free.
